1. INFORMATION AWARENESS: June's Information Assurance (IA) Year focus is on "User Responsibilities". Air Education Training Command our MAJCOM is sponsoring this event for the entire Air Force. Articles will be appearing that address what the individual user is responsible for to ensure our communication systems are as secure as possible. A contest will take place that might enable you to win a Personal Digital Assistant. Details can be found at: https://www.aetc.af.mil/sc/IAAC_2001/aetcia.htm. For more information on upcoming IA events during June, contact your SATE monitor or call Mr. Ervin at X-4271.

This month's Information Assurance (IA) Year has been greatly enhanced with a training aid that has been implemented on the Laughlin home web page. AETC (this month's host) has purchased and prepared an informative tutorial module, titled "**Security Awareness for Everyone (S-A-F-E)**" which addresses areas that are of great importance to the security of our information systems. All Laughlin computer users are vigorously encouraged to take advantage of this excellent training tool to polish up on their roles in protecting government information systems. Further information may be addressed to Mr. Ervin at X-4271.

2. AIR WAR COLLEGE AND AIR COMMAND AND STAFF COLLEGE

NONRESIDENT SEMINAR: The drive to recruit students for the Academic Year 2002 Air War College (AWC) & Air Command and Staff College (ACSC) Nonresident Seminar Program is underway. This is an ideal way to complete senior/intermediate PME, combining self-study with a formal, semi-structured meeting environment highly conducive to learning. Seminars are scheduled to start in early August 2001 and will run until June 2002.

The AWC Nonresident Studies Seminar Program is open to active duty, Guard and Reserve colonels, lieutenant colonels, and lieutenant colonel-selectees (or their equivalents) of any component of the US Armed Forces and civilian employees (GS/GM-13 or above). At least 8 people are required to form an AWC seminar. If less than eight people sign up, we will hook up with Randolph AFB via VTC to run the seminar here at Laughlin. There is no minimum number

for ACSC seminar. Sign up now, or you will have to wait until August 2002 for the next seminar academic year to begin. Please bring your completed application to the Laughlin Education Office or call 5545 for more details.

3. 47th Comptroller Flight Cashier Hours of Operation: In order to accommodate more of our customers, the hours of operation for the cashier have changed to 0800-1430 Monday through Friday. For special circumstances, contact Heidi Poteat at heidi.poteat@laughlin.af.mil (47 CPTF/FMFC, X5296)

4. Excess Property: Base Supply has the following items in serviceable excess condition. If your organization has a requirement for these items, please contact Mr. Centifanti in Customer Support, EAST/LGSM, no later than 25 June 2001. Mr Centifanti can be reached at ext. 5727.

***6. NEW STANDARD FORM 66 IN DEVELOPMENT:** The Air Force Departmental Publishing Office (AFDPO), with assistance from the Office of Personnel Management, will work to develop a military personnel version of the Standard Form (SF) 66, Official Personnel Folder. AFDPO has stepped up and taken responsibility for the initiative which, ultimately, may drive a Department of Defense usage requirement, not just an Air Force requirement.

For organizations which have not disposed of Standard Forms 66, you may continue to maintain the files in the existing SFs 66 until the new form becomes available. However, if creating a new file, do not use the SF 66; instead, use a plain folder. **Repeat--Do not use the SF 66 to create a new file; instead, use a plain folder.** For organizations which complied with the initial guidance and took corrective action, we appreciate your efforts in complying with the guidance and apologize for any inconvenience.

As of this date, we do not have a timeline for the development and approval of this form. We'll keep you informed as information becomes available. If you have any questions, please contact Ms Phyllis Conrad, DSN 487-6203. **(HQ AETC/SCMY, DSN: 487-6203)**
